The Irish Shop Montville - Australia.

DECEMBER 2009

Greetings Folks!

Our latest order from Ireland has now arrived and is available to you for that thoughtful Christmas Gift to one of yours, or your own Christmas treat!

Isla Grant's new CD, *"Home for Christmas"*, Daniel O'Donnell's latest releases, CD *"Peace In the Valley"* and DVD *"Hope and Praise"* will no doubt be popular with their followers as is Mary Duff's latest CD *"The Voice of An Angel"*. Particulars of these titles and their track lists are included in this Newsletter, so check them out and please contact our shop if you would like any of these titles reserved for your purchase as good interest is already being generated.

We have also restocked a number of other popular titles from Daniel O'Donnell, Isla Grant, Mary Duff including Al Grant's DVD *"Welcome To My World"* – all of which are outlined in this edition.

Pricing

From time to time you will note variations in price in our Irish Music Mail Order Catalogue. This is mainly due to variations in the currency exchange rate between Iris Euros, the British Pound and the Australian Dollar. Of recent times this rate has been favourable due to a strength in the Australian Dollar making our purchases a little cheaper which is reflected in the prices to you. However, and as is inevitable, such can change considerably and without notice at any time.

For overseas orders exclude GST as exports, so prices will be slightly cheaper at approx. 9.09% less than the advertised retail.

Postage

Unless you nominate otherwise, all orders are sent by Australia Post Registered Post within Australia. This service is numerically traceable and automatically includes Insurance to the value of \$100. Your local Post Office will leave a card in your letterbox requesting you call and collect your order by way of signature confirming delivery.

Overseas orders are sent uninsured air-mail postage unless the purchaser specifically requests another service. Any additional cost will be included in the P&P charge.

P&P Cost – Per Item: Within Australia: Minimum postage is \$5 to a maximum payable of \$10 per order. This means that Registered Post on one (1) item would be \$5. For 2 or more items Registered Post would be the maximum of \$10. Orders over \$100 are sent post free.

As overseas rates vary, we can confirm the rate relevant to the Postal Zone in which you are located, if requested. We endeavour to keep P&P charges to the absolute minimum

For our close neighbours in New Zealand – uninsured air-mail postage on one (1) item is \$6 to a maximum of \$12 for 2 or more items. We regret that we cannot extend the free postage offer to overseas customers at this time.

If you have friends, relatives or acquaintances who may be interested in receiving our Irish Music Newsletter, please ask them to send an e-mail to us at coatarms@optusnet.com.au with the subject line – "Subscribe music newsletter".

Thanks for your participation in our Irish Music Newsletter and assuring you of our best service at all times.
