

Redlands Police Citizens Youth Club

Business Sponsorship Package

“Keeping kids on the court not in one”

Support your local community by supporting the Redlands PCYC

The Redlands PCYC offers a great range of activities and services for the Redland community, keeping young people and families active.

By sponsoring one of our great programs (like basketball) you can help your local community and also promote your company or organisation.

The Queensland Police Service provides a Sergeant of Police to run our club. Together we are making a difference. Our goal is to “keep kids on the court and not in one”.

Redlands PCYC Basketball

Basketball is one of the great original sports that encouraged young people to be active. Its history dates back over 60 years within Queensland PCYC's.

Redlands PCYC is the "home of basketball" in the Eastern and Bayside suburbs. We have the largest basketball competition with over 800 people from 4 year olds playing biddy ball all the way to our over 35 comp. In addition to this we also have in excess of 150 junior representative players.

Sponsorship packages are now available for you to support the Redlands PCYC Basketball program and along the way obtain exposure to promote your organisation
